

FOOD TRUCKS

Required to Obtain Business license

1. Business License Application
2. Business name registered on Sunbiz.org
3. Commissary Letter from a commercial kitchen in Saint Augustine (where you will be dumping your waste water and any cooking oil)
4. Letter from the business owner stating your customers can use their restrooms and you are allowed to have your food truck on their property (you cannot operate when they close their business unless the owner is willing to give you a key for your customers to have access to their restrooms after their business hours)
5. Site Plan. Please draw on the site plan where your food truck will be on the property (it cannot be in any required parking spaces)
6. Porta potties are not allowed (truck cannot be hooked up to any permanent fixtures such as city water or sewer)
