FY 2019 Goal #3 Improve Neighborhood Infrastructure/Beautification			
Total Neighborhood Improvement Pprogram	\$ 426,883	\$ 250,000	
TOTAL BUDGET	\$833,028	\$802,583	

The details below explain the proposed expenditures.

REVENUES:

Lincolnvile CRA FY 2018-2019 BUDGET		
BUDGET ITEMS	Current FY 2017 - 2018	Budget FY 2018 - 2019 (Staff Recommendation)
Revenues		
Projection of Incoming Tax Increment Revenue (provided by St. Johns County Tax Collector)	\$460,465	\$653,596
Estimate Roll Over From FY 2018 LCRA Trust Fund	\$372,563	\$148,987
Total Revenues	\$833,028	\$802,583

Tax increment revenues received from the County and the City are projected to increase from \$460,465 to \$653,596, an increase of \$192,931 (42% increase). The County's portion is funded first and the City remits its final payment via an Interfund Transfer prior to year-end from estimates and then a final Tax Roll Valuation from the St. Johns Property Appraisals Office allows for a final adjustment.

The forecast at the end of the fiscal year projects \$148,987 will carryover due in part to Program Initiatives not fully funded in FY 2018. The Fix-it Up, Institutional Rehabilitation Programs and South Street Infrastructure Improvements accounted for the most significant variance in funds allocated but unspent. These programs are expected to be fully funded and disbursed in FY 2019.

EXPENSES:

The increase in TIF revenues and the funds carried over are proposed to be allocated among six expense categories as presented below.

Administrative Costs:

We recommend doubling Administrative Costs in FY 2019 from \$7,034 to \$15,340. The bulk of the increase is associated with higher communications costs for the Annual Report and a community newsletter. Other increases reflect costs in Board and Staff training, largely affiliated with the Florida Redevelopment Association, a trade association comprised of the state's redevelopment agencies.

BUDGET ITEMS	Current FY 2017 - 2018	Budget FY 2018 - 2019 (Staff Recommendation)
Administrative Costs		
Florida Redevelopment Association (FRA) Membership Dues	\$745	\$745

Lincolnvile Newsletter and other Publications	\$2,500	\$8,755
Total Administrative Costs	\$7,034	\$15,340

Furniture & Equipment:

We are proposing a new budget item for meeting-related equipment. The purchase of these items will preclude us from borrowing equipment from City departments or relying on vendors to bring equipment. We will store the items at the Galimore Center or secure a storage unit.

BUDGET ITEMS	Current FY 2017 - 2018	Budget FY 2018 - 2019 (Staff Recommendation)
Furniture and Equipment		
Portable Podium Stand		\$ 100
Projector (PowerPoint Presentations)		\$ 200
Projector Screen		\$ 100
PA Speaker System		\$ 300
Total Furniture & Equipment		\$ 700

Professional Services:

The most significant change from the July presentation is the reduction in Professional Services expenses associated with the Land Trust and Opportunity Zone initiatives. Staff is recommending a more cautious approach that will allow us to first educate the Steering Committee and general public. Following a decision to continue, we will devise a program strategy for the Steering Committee's consideration in FY 2020.

BUDGET ITEMS	Current FY 2017 - 2018	Budget FY 2018 - 2019 (Staff Recommendation)
Professional Services		
Consultant Services for CRA Administration	\$50,000	\$ 51,500
Establish Land Trust Initiative	\$0	\$ 20,000
Establish Opportunity Zone Initiative		\$ 23,617
Total Professional Services	\$ 50,000	\$ 95,117

Goal #1: Retain Long Term Residents:

- Fix-it Up Program: We are recommending this program be increased by \$48,394 to \$191,426 which will allow for up to \$20,000 in interior emergency home repairs on owner-occupied dwellings; with owner income restrictions remaining. We are also recommending that modifications in Agreement terms allow for exterior repairs to eliminate blighted elements. We will outline exterior elements which we believe should be eligible for funding. These ideas will be presented during the meeting.

BUDGET ITEMS	Current FY 2017 - 2018	Budget FY 2018 - 2019 (Staff Recommendation)
FY 2018 Goal #1 Retain Long-Term Residents		
New (Combined) Fix-It-Up Program	\$143,032	\$191,426
Property Acquisition & development		
Total Retain Residents Program	\$ 143,032	\$ 191,426

- Property Acquisition & Development: This is an unfunded line item that may allow for the acquisition of property or the design of model home units for future development. We expect this program to be unfunded in FY 2019 unless we receive grant funds.

Goal #2: Preserve Lincolnville's Historic Character:

- Institutional Rehab Program: We are recommending the budget increase from \$206,079 to \$250,000 for the complete restoration of the Bell Tower, including the repair of windows, new electrical, front door restoration and interior finishes. We anticipate that less than \$10,000 will be spent on the project this year thus a majority of the funding will represent a carryover of over \$90,000 and new funding allocation of \$60,000.

BUDGET ITEMS	Current FY 2017 - 2018	Budget FY 2018 - 2019 (Staff Recommendation)
FY 2018 Goal #2 Preserve Lincolnville's Historic Character		
Institutional Rehabilitation Program	\$206,079	\$250,000

Goal #3: Neighborhood Infrastructure/Beautification:

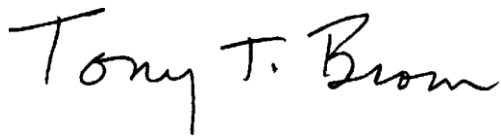

- Landscape Master Plan (\$50,500): Funding is allocated to complete the Bridge Street Gateway Entry and begin due diligence for another landscape component.
- Sidewalks & Infrastructure: Funding is recommended to increase from \$77,383 to \$135,000 to complete the South Street improvements and begin a new project on Dumas Street.
- Utility Rehabilitation: Funding is recommended to continue stormwater remediation at \$65,000, a decrease of \$235,000 from the FY 2018 level.
