### **Tree Memorial Program**

The Memorial Tree Program enables citizens to enhance our community's aesthetic appearance through the landscape of street rights-of-way and other public outdoor spaces. Due to St. Augustine's Memorial Tree Program, contributors can remember the past while at the same time renew life.

A donation of \$350.00 to the City of St. Augustine covers the cost of the tree, its installation, maintenance, and if necessary, replacement.

Contributors are identified on a plaque located in City Hall and recognition is given on Arbor Day. A ceremony for the dedication and planting of the tree is optional at the request of the donor. The City only accepts monetary donations.
