

Elevation Certificate

If the City has an elevation certificate for your property, you can locate it here:

1. City website: citystaug.com
2. Hover over the “Services” tab at top of page, select “Document Center”
3. Scroll to:
 - Planning and Building
 - Elevation Certificates
 - Letter of your street name

If you cannot find your address in the list, the City does not have a copy. You will need to contact a land survey company, they will be able to create one for you.
