

# SUSTAINABILITY WORKSHOPS

Tuesday, April 23, 2024  
Galimore Center  
399 Riberia Street

**9 AM**

## SUSTAINABILITY IN THE CITY

Learn about the City's sustainability initiatives, including: recycling, residential composting, Tree Canopy Enhancement Program and more!

*Presented by City of St. Augustine*

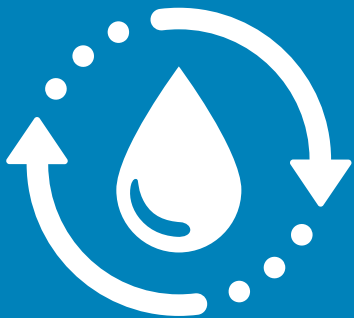

**10 AM**

## COMPOSTING BASICS

Learn the basics of composting - types of compost bins, ingredients to use/avoid, and steps for backyard composting.

*Presented by St. Johns County Master Gardener Volunteer*

**11 AM**

## WATER CONSERVATION

Learn why water conservation matters and steps you can take in your home and within your landscape to save water.

*Presented by St. Johns River Water Management District*

Following the workshops, there will be a tour of the Lincolnville  
Community Garden
